Again SOLD OUT in 2011 - 5 years in a row.

After a very hot summer here in the St. Louis area, we are hoping for some fair weather for January 28. As our event gets bigger each year and our waiting list for tables gets longer. Due to your support and that of our attendees, we are able to hold our table and admission costs the last 10 years even though our over all costs have risen. THANK YOU. We are hoping to get the adjourning hall for 2013. This will increase our table layout by 1/3! It was not available for this years event. We will have VE testing again this year. Looking forward to the great breakfast from the concession stand. They open early Saturday for our vendors.

Our location remains Gateway Center, One Gateway Drive, Collinsville, Il 62234. From Hwy. 55/70—take exit #11. Then the West Outer Road and turn right at the second street (just after the Ponderosa). The concession will again open at 5:15 AM for breakfast and at 9:15 will have lunch items. GREAT FOOD.

If your table reservation is received before January 1, 2011 we will attempt to secure the same table location as last year unless notified otherwise. Payment must be included. **Send to address above.** Pay pal is not available for this event.

Each table reservation will include one drawing ticket. Additional vendor passes will be available on a limited basis but will not include a raffle ticket. Additional raffle tickets can be purchased for a donation of \$1.00 each or 6 for \$5.00.

Load-in and Set-up times are Friday from 1:00 PM until 10:00 PM CST and Saturday from 5:00 AM until 7:00 AM. Anyone who has not checked in by 7 AM Saturday will forfeit their table space unless we have been notified in advance of late arrivals. (314) 504-1104. Loading docks are in the rear of the center. Vendors please use the rear doors at all times for admission. If you have reserved a table and are unable to attend, please notify us 24 hours prior to the event. If we can resell your table we will refund your table fee.

On Saturday, the day of the event. there is **NO SMOKING** or **FOOD** (except the concession stand) allowed in the convention center. Signs and banners can not be attached to the walls with tape or staples.
